

GOVERNMENT OF MANIPUR  
SECRETARIAT: HIGHER & TECHNICAL EDUCATION DEPARTMENT  
\*\*\*\*\*

**OFFICE MEMORANDUM**  
Imphal, the 30<sup>th</sup> November, 2023

No.UHE-101/87/2023-HTE-DHTE: Whereas, the Administrative Department of Higher & Technical Education, Government of Manipur take up various infrastructure development works in Government Colleges as per budgetary allocation and under various State and Central Sponsored Schemes and are executed through Government work agencies or progress and payment are monitored by the Government. ;

2. In addition, the Government Colleges/Government Aided Colleges also take up infrastructure development works including repair/renovation in respective Colleges with funding from University Grants Commission (UGC), and from funds deposited in College Account out of admission fees of the students without the involvement of the State Government;

3. Whereas, it is found that the Government/Government Aided Colleges requires monitoring in execution, implementation and usage of fund for the category of work taken up as in para 2 above also to ensure that works taken up are planned and executed properly.

4. Now therefore, henceforth all Government Colleges shall obtain prior approval of the Government before taking up any construction or repair/renovation work in the College campus by the College authorities from the College fund or funds from other sources. Further, the Governing Body of the Government Aided Colleges shall also seek approval of the Government for taking up any new construction work taken up with funding from University Grants Commission (UGC), and from funds deposited in College Account out of admission fees of the students. Repair and renovation works may be taken up by the concerned Governing Bodies under intimation to the Director, University & Higher Education, Manipur.

5. This is for strict compliance by all concerned.

  
(H.Gyan Prakash)  
Commissioner (Hr.&Tech.Edn)  
Government of Manipur
