SCHEME GUIDELINES

1. INTRODUCTION

National Education Policy, 2020 targets to make Higher Education Institutes in India centres for the development of enlightened, conscious, thoughtful, well-rounded and creative individuals. Thus, it is important that we take up timely actions to develop the higher education institutions of Manipur as centres where quality higher education is imparted so that the targets set by NEP, 2020 can be achieved in time. With this vision in mind, the Department of Higher Education, Government is to launch a Scheme called '**COLLEGE FAGATHANSI MISSION**' to ensure the availability of all the basic requirements for imparting quality higher education in the Government Colleges of Manipur by 2030.

2. NAME OF THE SCHEME:

COLLEGE FAGATHANSI MISSION

3. OBJECTIVES OF THE SCHEME:

- To provide necessary physical infrastructure to the Government Colleges including classrooms, Laboratory equipment, IT hardware, students' facilities and furniture for achieving quality higher education;
- To provide necessary learning materials and resources including e-resources for ensuring effective learning by the students;
- To provide an adequate number of teaching and non-teaching staff for imparting quality higher education to the students;
- To train and build capacity of the faculty members as well as non-teaching staff through appropriate Faculty Development Programmes and Trainings;
- To open more Programme and Courses in the UG/PG levels as required to meet the demands of the present-day job market;

'COLLEGE FAGATHANSI MISSION'

- To equip the students with appropriate knowledge on employment opportunities and future progression through counselling and workshops; and
- To provide appropriate Skill and Vocational education/Training to the students to increase employability.

4. THE SCHEMES COMPONENT:

An amount of Rs. 60 crores (10cr under the State budget and 50cr under SACI FY 2023-24) will be allocated for implementation of the Scheme in the FY 2023-24. Twenty-Four (24) Colleges are selected in the First Phase for implementation of the Scheme based on equitable distribution and specific needs of the colleges. Under the Scheme, each College shall be provided with a package of up to **Rs. 2.5 Crore** to create physical infrastructure, IT augment, books, lab equipment, e-resources, training, capacity building etc. Further, fund allocation will be given in different phases from the other available budget head to bring the much needed upgradation of amenities in the HELs.

5. DURATION OF THE SCHEME:

The Scheme shall continue till such time all the Government colleges of the state are covered under it. However, the core priority of the scheme is to ready all the government colleges to meet the basic mandate of NEP 2020 by the year 2030. A college selected under the Scheme shall implement it **within two years** from the date of sanction of the fund.

6. FUND/BUDGET OF THE SCHEME:

A new suitable Head of Account for the Scheme shall be created in the B.E. 2023-24 under Demand 10 (Education). Strengthening of these colleges will also be done through the various programmes and initiatives taken up by the department under the state budget.
